

# Modular CQC Weapons Seminar

Warrior North is sponsoring Master Instructor Bram Frank for a two day Modular CQC seminar in Richmond, BC. Bram is the creator of the LLC tactical folding knife and is one of the foremost edged weapon instructors in the world. He was also named Black Belt Magazine's Weapons Instructor of the Year for 2007.

The program will focus on core body mechanics critical to close quarter engagements. These form the foundation of a comprehensive personal protection system that provides responsible, ethical self-defence solutions. The curriculum emphasizes the concepts of awareness, avoidance, and de-escalation.

This is the same system currently being presented to Law Enforcement and Military groups in the U.S. and abroad. The program is designed to meet the needs of today's armed professional and concerned citizen.
